FAMILY LIFESTYLE BLOG

JULZ SCOTT

Writing Mum of 4. A host to two blogs, a contributor to an online magazine and an active volunteer for charity. Shortlisted twice for a blogging award in its category. Working as a Dinner Lady during the day, I write in every part of my spare time. I love it. Always looking for things to write about.

THE RED HEAD DIARIES

.Has been nominated for a Blogging recognition award. I began blogging in 2012 to give support to grieving parents. Wanting to write more I started The Red Head Diaries in 2017 (but blogged elsewhere before since 2014). Sharing memories and reviews of the things we love. Including days out, breaks away, and customer reviews.

Currently sharing a Christmas Series with shopping hauls. A weekly Cheerful Link.
